Historical attempts · Type: All · Zone: All

Matched 1,080 attempts; shown 1,000. Cap 1,000.

Attempt counts (makes + misses). Color scale varies by chart.

Shrinkage Note

EPA means estimated points per shot attempt, not points per possession. Rates are shrunk toward league baselines using reliability weights (log1p(attempts)) to reduce small-sample noise. Matchup EPA blends our offense with opponent defense.
